Disabled only to use designated
crossing besides Westpac.

Dear Ms Marr,

Members of the above Progress Association have asked the association to write to you expressing their concern with regard to the issue of Disabled Parking in the newly renovated Car Park.

With the placement of the Disabled Parking where it is, usage of the two laneways leading to Blackwall Road to access Australia Post is proving to be unsafe for people with mobility difficulties.

It is asked that you please provide safe passage to the Car Park by means of a Zebra Crossing at both laneway exits to alert traffic passing through the Car Park from the entry point of Railway Street of people with mobility difficulties that are using the Disabled Parking Spaces.

Your quick attention to this problem is appreciated.

Kind regards,

The Management Committee
Koolewong and Point Clare – Tascott Progress Association Inc.

Hon. Secretary
Helen Orchard.
